

Sally Anthony, My Life

I don't wanna go crazy, baby
I don't wanna get emotional
I don't wanna be a Hallmark card on the floor by your bedroom window
I don't wanna lose all my senses
I don't want to lose my edge
I don't want to be responsible for the voices in your head

Cause I'm not what you see
There's a lot more to me
Than some silly, Cinderella fantasy

If you take this guys, and aggravate a situation
Maybe you shouldn't be with me now, baby
I'm not changing
If you threaten on me, then you better keep moving
If you change your mind, then welcome to my life

I don't wanna wait for anybody
I like to come and go as I please
What do you know ???
You don't have to worry about me
And you don't have to get so defensive
I'm not challenging your masculinity
Someone wise once told me
???

But I'm not what you see
There's a lot more to me
Than some silly, Cinderella fantasy

If you take this guys, and aggravate a situation
Maybe you shouldn't be with me now, baby
I'm not changing
If you threaten on me, then you better keep moving
If you change your mind, then welcome to my life

I can be nice
And know what I want at the same time
Why such resistance between us, we'll be fine

But I'm not what you see
There's a lot more to me
Than some silly, Cinderella fantasy

If you take this guys, and aggravate a situation
Maybe you shouldn't be with me now, baby
I'm not changing
If you threaten on me, then you better keep moving
If you change your mind, then welcome to my life
