

Sally Oldfield, Ascension

Spirit of fire, Spirit of fire,
Khat I am.
Khat I am!
Dry as moon dust, dry as
moon dust

Spirit move on the water,
Dry as moon dust, dry as
moon dust
Spirit move on the water
Khat I am
Borne on the wind
My bird of fire, my bird
of fire
My bird of fire,
My bird of fire!
Ascending, ascending
How many stars are in
the sky?
