Korienge ko diabalo ku  
ramalla halla  
From the valley comes the  
song of the rising sun

Joining my heart to the  
heart of a star.

Chorus  
Korienge ko diabalo ku  
ramalla halla  
Heart of a flaming star

Warm upon the wind  
comes a song of the  
melting snow

I can feel it, a cool wind  
from the mountains  
Calling me from afar  
Joining my heart to the  
heart of a star

Chorus  
Korienge ko diabalo ku  
ramalla halla  
Heart of a flaming star

I can feel it a cool wind  
from the mountains..  
Calling me from afar,  
joining my heart to the
