

Sally Oldfield, Shaman

Shaman! Shaman!
Cheyenne!
Warmer than fire, farther
than the furthest star,
Far across the water,
I can hear the sky sing
Fill my heart with healing

Shaman! Shaman!
Cheyenne!
Warmer than fire, farther
than the furthest star
Shaman! Shaman!
Cheyenne aya
Cheyenne ay alma

Touch the earth with the
fires of healing
Sweeter than honey
Wilder than the wildest
wind
I can hear the sky sing
