

# Sally Shapiro, I Know

Goin' hard  
thinkin of you  
I feel so alone  
and I don't really know what to do.  
time goes by and when the raindrops fall from the sky  
i know  
that there's no reason why you should lie  
and come back to me  
give me your ring  
i know you care for me  
and we can talk just about anything  
just tell me how i can hold on to this moment for now  
i want to treat this feeling some how  
i know you're my love even though  
sometimes i believe, i will wake up  
from this dream because love,  
i fly high above from the clouds  
i reach out for you or is it too good to be true?

because i know things happen so fast and it makes me low because i feel that this won't last but wh  
i know you're my love even though sometimes i believe i will wake up from this dream because love  
just tell me how i can hold onto this moment for now. i want to treat this feeling some how.  
i know you're my love even though sometimes i believe i will wake up from this dream because love
