

# Salmonella Dub, Johnny

Johnny she'll get under your skin  
and she won't let no-one else in.  
She'll take you up and suck you dry  
and go onto the next guy.

Johnny don't believe her  
Johnny don't believe her oh no  
Johnny don't believe her  
'Cause she'll eat you up and  
She'll treat you like the fool you feel  
ooooh lad she did it to me  
Yeah yeah yeah you will understand misery

Jonny all she does is lies  
Jonny all she says is lies  
Jonny all she does is lies  
Jonny all she says is lies

Johnny she'll get under your skin  
and she won't let no-one else in.  
She'll take you up and suck you dry  
and go onto the next guy.

Yeah hey hey hey  
She's with you  
but shes over

Johnny don't believe her  
Johnny don't believe her oh no  
Johnny don't believe her  
'Cause she'll eat you up and  
She'll treat you like the fool you feel  
ooooh lad she did it to me  
Yeah yeah yeah you will understand misery

Jonny all she does is lies  
Jonny all she says is lies  
Jonny all she does is lies  
Jonny all she says is lies  
Jonny all she does is lies  
Jonny all she says is lies  
Jonny all she does is lies
