

Salvador, Lord, I Come Before You

Lord I come before You
Love to sing Your praise
Worship and adore You
As You fill me with Your grace
Lord I come before You
Surrounded by Your love
When it comes down to Your mercy
You know I just can't get enough
Oh, You knocked on my door
More than once before
I can finally hear You call my name
Send Your mercy down
Let the trumpet sound
Now my heart cries out to you in praise
