

Salvador, Mighty King Of Love

In my life, if you find
Anything that's like---a fire unstoppable
Keep in mind that's just the presence of
The Mighty King of Love
He's the great protector
A good shepherd over me
He's the Living Water
And He's all I need
He's the mercy giver
Wondrous God above
Blessed be the mighty King of Love
In my eyes, should you find
Anything that shines---
I'll tell you why it does
All this light is a reflection of
The mighty King of Love
He's the great protector
A good shepherd over me
He's the Living Water
And He's all I need
He's the mercy giver
Wondrous God above
Blessed be the mighty King of Love
If you doubt, look around
This is what I've found---life's a miracle
Check it out, take in the glory of
The mighty King of Love
He's the endless fountain
Source of all good things
The prince of our salvation
And He's why I sing
He's the soul provider
He's all I'm thinking of
Blessed be the mighty King of Love
He's the great protector
A good shepherd over me
He's the Living Water
And He's all I need
He's the mercy giver
Wondrous God above
Blessed be the mighty King of Love
