

Salvador, Worthy

Hate

Fear

Pain

Tears

I can see a million things

That You came and died for

Everyday a million ways

We give it back to You Lord

You have redeemed everything and we

Owe You our lives Oh

Everything I do, Everything I say

I give it back to You

I give it back to You Most Holy

Everything I am, Everything I'm not

Putty in Your hands

Lord, make me worthy

Love

Peace

Joy

And strength

I can see a million things

That You died to leave us

Everyday a million ways

We give it back to You Lord

For You have redeemed everything

And we owe You our lives

Oh

Everything I do, Everything I say

I give it back to You

I give it back to You Most Holy

Everything I am, Everything I'm not

Putty in Your hands

Lord, make me worthy
