

# Sam Barber, Indigo (feat. Avery Anna)

I know you're worried at night that I won't find my way  
And I'm tired of lying to myself just to get through each day  
My head says I should have never left, and that my feet will soon lead to my death

I'm starting to question if god's trying to teach me a lesson  
I'm starting to wonder if my true colors changed since I left ya

I used to shine bright like gold, but now I'm all indigo  
My colors are darker and cold  
I think it's time that I went home  
And I don't understand why I always feel dead and alone  
I used to shine bright like gold  
Now I'm all indigo

Gave up a piece of my heart then I turned to run  
My head is in the clouds but I don't feel close to the sun  
And the light fades away from my face and the tears fall like rain  
So I turn all my words into faith, hope it's me that they save

I'm starting to question if god's trying to teach me a lesson  
Lord know I'm starting to wonder if my true colors changed since I left ya

I used to shine bright like gold, but now I'm all indigo  
My colors are darker and cold  
I think it's time that I went home  
And I don't understand why I always feel dead and alone  
I used to shine bright like gold  
Now I'm all indigo

I'm starting to question if god's trying to teach me a lesson  
Lord know I'm starting to wonder if my true colors changed since I left ya

I used to shine bright like gold, but now I'm all indigo  
My colors are darker and cold  
I think it's time that I went home  
And I don't understand why I always feel dead and alone  
I used to shine bright like gold  
Now I'm all indigo  
Now I'm all indigo
