

# Sam Bruno, Search Party (Papierowe miasta Sou

Meet me out in Paris  
I'll be on the elevator  
Halfway up the Eiffel Tower  
Halfway up to space  
Lately I've been dreamin'  
by desert, uh  
We'll be riding through the thunder  
On a midnight train  
And baby would you see this on the best of our day  
And we go and we out, lookin' for us all night  
We gotta search party with that big flash light  
It's searchin' high searchin' low  
searchin' super wide  
Yeah, lil' choppers in the sky  
and they flyin' super high  
And we go and we out, lookin' for us all night  
We gotta search party with that big flash light  
It's searchin' high searchin' low searchin' super wide  
Yeah, lil' choppers in the sky  
and they flyin' super high  
Meet me out in Paris  
I'll be on the elevator  
Halfway up the Eiffel Tower  
Halfway up to space  
Jamaica, jumpin' over the equator, uh  
While we underneath the water  
We could ride the waves  
And baby let them chase us for the rest of our day  
And we go and we out, lookin' for us all night  
They gotta search party with that big flash light  
It's in the searchin' high searchin' low searchin' super wide  
Yeah lil' choppers in the sky and they flyin' super high  
And we go and we out, lookin' for us all night  
They gotta search party with that big flash light  
It's in the searchin' high searchin' low searchin' super wide  
Yeah lil' choppers in the sky and they flyin' super high  
Boats and trains and cars and planes like  
Boats and trains and cars and planes like  
Oh like Oh sayin' na na na na na catch me if you can  
To value the cars  
Ain't no goin' down  
no no  
Ain't no lookin' down  
High, High, High, High, High, High, High, High  
Na na na na na  
Catch me if you can  
And we go and we out, lookin' for us all night  
They gotta search party with that big flash light  
It's in the searchin' high searchin' low searchin' super wide  
Yeah lil' choppers in the sky and they flyin' super high  
And we go and we out, lookin' for us all night  
They gotta search party with that big flash light  
It's in the searchin' high searchin' low searchin' super wide  
Yeah lil' choppers in the sky and they flyin' super high  
And we go and we out, lookin' for us all night  
They gotta search party with that big flash light  
It's in the searchin' high searchin' low searchin' super wide
