Sam Bruno, Search Party (Papierowe miasta Sou

Meet me out in Paris

I'll be on the elevator

Halfway up the Eiffel Tower

Halfway up to space

Lately I've been dreamin'

by desert, uh

We'll be riding through the thunder

On a midnight train

And baby would you see this on the best of our day

And we go and we out, lookin' for us all night

We gotta search party with that big flash light

It's searchin' high searchin'low

searchin' super wide

Yeah, lil' choppers in the sky

and they flyin' super high

And we go and we out, lookin' for us all night

We gotta search party with that big flash light

It's searchin' high searchin' low searchin' super wide

Yeah, lil' choppers in the sky

and they flyin' super high

Meet me out in Paris

I'll be on the elevator

Halfway up the Eiffel Tower

Halfway up to space

Jamaica, jumpin' over the equator, uh

While we underneath the water

We could ride the waves

And baby let them chase us for the rest of our day

And we go and we out, lookin' for us all night

They gotta search party with that big flash light

It's in the searchin' high searchin' low searchin' super wide

Yeah lil' choppers in the sky and they flyin' super high

And we go and we out, lookin' for us all night

They gotta search party with that big flash light

It's in the searchin' high searchin' low searchin' super wide

Yeah lil' choppers in the sky and they flyin' super high

Boats and trains and cars and planes like

Boats and trains and cars and planes like

Oh like Oh sayin' na na na na na catch me if you can

To value the cars

Ain't no goin' down

no no

Ain't no lookin' down

High, High, High, High, High, High, High

Na na na na na

Catch me if you can

And we go and we out, lookin' for us all night

They gotta search party with that big flash light

It's in the searchin' high searchin' low searchin' super wide

Yeah lil' choppers in the sky and they flyin' super high

And we go and we out, lookin' for us all night

They gotta search party with that big flash light

It's in the searchin' high searchin' low searchin' super wide

Yeah lil' choppers in the sky and they flyin' super high

And we go and we out, lookin' for us all night

They gotta search party with that big flash light

It's in the searchin' high searchin' low searchin' super wide

Yeah lil' choppers in the sky and they flyin' super high

Be out all night, search party, flash lights

Be out all night, search party, flash lights
