

# Sam Cooke, What A Wonderful World This Would Be

Don't know much about history  
Don't know much biology  
Don't know much about a science book  
Don't know much about the French I took

But I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be

Don't know much about geography  
Don't know much trigonometry  
Don't know much about algebra  
Don't know what a slide rule is for.

But I do know that one and one is two,  
And if this one could be with you,  
What a wonderful world this would be.

Now i don't claim to be an "A" student,  
But I'm trying to be.  
So maybe by being an "A" student baby  
I can win your love for me.

Don't know much about history  
Don't know much biology  
Don't know much about a science book  
Don't know much about the French I took.

But I do know that I love you,  
And I know that if you love me too,  
What a wonderful world this would be.

Latatatatahuwaah (history)  
Oehwoewoe (biology)  
Latatatatahuwaah (science book)  
Oehwoewoe (French I took)

But I do know that I love you,  
And I know that if you love me too,  
What a wonderful world this would be.
