

Sam Cooke, What A Wonderful World This Would

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took

But I do know that I love you
And I know that if you love me too
What a wonderful world this would be

Don't know much about geography
Don't know much trigonometry
Don't know much about algebra
Don't know what a slide rule is for.

But I do know that one and one is two,
And if this one could be with you,
What a wonderful world this would be.

Now i don't claim to be an "A" student,
But I'm trying to be.
So maybe by being an "A" student baby
I can win your love for me.

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took.

But I do know that I love you,
And I know that if you love me too,
What a wonderful world this would be.

Latatatatahuwaah (history)
Oehwoewoe (biology)
Latatatatahuwaah (science book)
Oehwoewoe (French I took)

But I do know that I love you,
And I know that if you love me too,
What a wonderful world this would be.
