

# Sam Cooke, Wonderful World

Don't know much about history  
Don't know much about biology  
Don't know much about a science book  
Don't know much about the French I took

What I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be

Don't know much about geography  
Don't know much trigonometry  
Don't know much about algebra  
Don't know what a slide rule is for  
What I do know, one and one is two  
And if this one could be with you  
What a wonderful world this would be

Now, I don't plan to be an A student  
But I'm trying to be  
For maybe by being an A student, baby  
I can win your love for me

Don't know much about history  
Don't know much about biology  
Don't know much about a science book  
Don't know much about the French I took

What I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be

What I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be
