

Sam Fischer, Alright

"I'm gonna be alright"
I'll say a thousand times
Until it takes over my mind
And I think I'm (I'm gonna be alright)

I won't talk about it enough to make it real
My insides are shouting but I can barely hear, yeah
I've dug my heels in to stop the feeling
Convinced it's something that will never show
Broken my cup, can't fill it up no more

But, even if I don't believe it
It ain't real if I can't see it
I swear that

"I'm gonna be alright"
I'll say a thousand times
Until it takes over my mind
And I think I'm
I'm gonna be alright
Make no mistake
I'll be just fine
At least, I'll say it a thousand times
Until it takes over my mind
I'm gonna be alright

I-I, I
I-I, I, I
I'm gonna be alright
I-I, I
I-I, I, I

Mama said there would be days like this
Where I don't understand, uh
And there ain't nobody makin' sense
They'll never know who I am, I am (I am)

But, even if I don't believe it (Believe it)
It ain't real if I can't see it, no, but

"I'm gonna be alright"
I'll say a thousand times
Until it takes over my mind
And I think I'm
I'm gonna be alright
Make no mistake
I'll be just fine
At least, I'll say it a thousand times
Until it takes over my mind
I'm gonna be alright

I-I, I
I-I, I, I
I'm gonna be alright
I-I, I
I-I, I, I
(I'm gonna be alright)

Who would I be? Who would I be without it?
I wanna see who I could be without it (Woo)

"I'm gonna be alright"
I'll say a thousand times
Until it takes over my mind

And I think I'm (Ayy)
I'm gonna be alright

I-I, I
I-I, I, I
I'm gonna be alright
I-I, I
I-I, I, I
(I'm gonna be alright)
