

Sam Fischer, Alright (feat. Meghan Trainor)

I wont talk about it enough to make it real
My insides are shouting but I can barely hear
I've dug my heels in to stop the feeling
Convinced it's something that will never show
Broken my cup, can't fill it up no more

But even if I don't believe it
It aint real if I cant see it
(I swear that)

I'm gonna be alright
I'll say a thousand times
until it takes over my mind
And I think I'm I'm gonna be alright
Make no mistake

I'll be just fine
At least I'll say it a thousand time
Until it takes over my mind
I'm gonna be alright

Mama said there would be days like this
But I don't understand
And there ain't nobody making sense
They'll never know who I am

Who would I be
Who would I be without it
I wanna see
Who I could be without it

I'm gonna be alright
I'll say a thousand times
until it takes over my mind
And I think I'm I'm gonna be alright
Make no mistake
I'll be just fine
At least I'll say it a thousand time
Until it takes over my mind
I'm gonna be alright
