

# Sam Fischer, This City

I've been seein' lonely people in crowded rooms  
Coverin' their old heartbreaks with new tattoos  
It's all about smokescreens and cigarettes  
Lookin' through low lights at silhouettes  
But all I see is lonely people in crowded rooms

This city's gonna break my heart  
This city's gonna love me, then leave me alone  
This city's got me chasin' stars  
It's been a couple months since I felt like I'm home  
Am I gettin' closer to knowin' where I belong?  
This city's gonna break my heart  
She's always gonna break your heart, oh

I remember mornings when my head didn't hurt  
And I remember nights when art didn't feel like work  
She wakes up at noon and she's out 'til three  
She leaves her perfume all over me  
But I remember mornings when my head didn't hurt

This city's gonna break my heart  
This city's gonna love me, then leave me alone  
This city's got me chasin' stars  
It's been a couple months since I felt like I'm home  
Am I gettin' closer to knowin' where I belong?  
This city's gonna break my heart  
She's always gonna break your heart

She got a hold on me  
She got me wrapped round her finger  
She got a hold on me  
She got me wrapped round her finger, oh yeah

This city's gonna break my heart  
This city's gonna love me, then leave me alone  
This city's got me chasin' stars  
It's been a couple months since I felt like I'm home  
Am I gettin' closer to knowin' where I belong?  
This city's gonna break my heart  
She's always gonna break your heart

This city's gonna break my heart, hey  
She's always gonna break your heart
