

Sam Nicosia, Why

Beautiful Girl
Eyes like a fantasy
There is nothing else I'd rather look at and see
Beautiful Girl
The body like a dream
Coming true
There is nothing else like
You
So that's why I ask

Why
Do you love him
Why
Is there something wrong with me
Why
Do you see me like that
Like a horrible bat
In a cave so dark
Why

Beautiful Girl
Face like a gorgeous sea
There is something else
I would like to announce
And it is

Why
Do you love him
Why
Is there something wrong with me
Why
Do you see me like that
Like a horrible bat
In a cave so dark
Why

Will you be there
When gray is my hair
When I'm like that

Why
Do you love him
Why
Is there something wrong with me
Why
Do you see me like that
Like a horrible bat
In a cave so dark
Why
