

Sam Phillips, Here He Comes With My Heart

Chorus:

Here He comes back from the dead with my heart
Hope is singing as He's bringing me life
Here He comes back from the dead with my heart
There is nothing too hard for Him

Verse 1:

The last way I saw Him was torn and lifeless
As they took Him down from the cross
And my heart went with Him into the tomb
All seemed lost
My life was lost

Repeat Chorus

Verse 2:

Nothing can stop Him now that He's risen
He's set all the prisoners free
As He comes He's bringing gifts of power
Just for me
For you and for me
