

# Sam Phillips, I Don't Know How To Say Goodbye

I don't know how to say goodbye to you  
I'm not good at things that I don't want to do  
Should I pretend that I don't care  
that you don't feel what I feel is there

I don't know how to say Goodbye

A kiss might insist that we play  
the game of lovers  
A touch might give away too much  
Would my feeling be discovered

Would you be scared if I just stared  
And let you look inside me  
Or should I smile and walk away  
So my eyes won't betray me
