

Sam Phillips, Lying

if i said i believe my eyes
and science can move my soul
if i said i'm not afraid to die
and i don't need you

i'd be lying

if i said the way he looks at me
doesn't make me want to undress
if i said i could leave you now
and go where i could forget

i'd be lying

i've been lying all my life with silence
and i need to find the words to tell you

if i said i don't want what i don't have
and all the answers are enough
if i said i believe in myself
and that's enough

i'd be lying
