

Sam Phillips, Tripping Over Gravity

black niagara
of control spilling down to culture mock
you can tell me
feet will land on the ground, safe, and walk

tripping over gravity
missing logic
tripping over gravity

hicks on fire
commuter virus has killed the balance ball
stained with heaven
always washing our legs won't move at all

tripping over gravity
missing logic
tripping over gravity

free thought pirates
neon fights flashing rights on concrete lace
sleepless tired
walls of print chatting cage on jokers face

tripping over gravity
missing logic
tripping over gravity
