

Sam Phillips, Will They Love Him

Verse 1:

What's in the Father's mind
Why does He have to go
And if I can't go with Him
There's one thing I must know

Chorus:

Will they love Him,
Will they love Him like I do?
Will they serve Him,
Take care of Him like I do?

I'm afraid to watch Him go
Afraid their hearts aren't true
Oh, will they love Him,
Love Him like I do?

Verse 2:

What can you say when all is lost
When the light of day has gone away?
Well, that's how it feels to watch him go
Down to earth, to a humble birth
And as he goes away, I hear my heart say

Repeat Chorus

Verse 3:

How can we sing when he is gone
We've lost everything when we've lost our king
And why does he go just like a man
Small and weak, humble and meek
And as he goes away, I hear my heart say

Repeat Chorus
