

# Sam Salter, The Color Of Love

Yeah

I was lonely, yeah  
I needed someone,  
to see me through, uh  
I was at the end of my rope,  
I needed someone,  
to cut me loose  
Then an angel, out of the blue  
Gave me the sense that I,  
might make it through  
And somehow I survived,  
With no rhyme or reason  
And now I know I made it  
Through the miracle of you  
and oh baby

[chorus]

I know the color of love  
(Girl it lives inside of you)  
I know the color of truth  
(Its in the image of you)  
If it comes from the heart  
Then you know that it's true  
It will color your soul, like a rainbow  
And the color of love is in you  
ooh babe  
Lives in you, you babe

Like a bridge over, over,  
Over troubled, troubled waters  
You stood beside me,  
stood beside me, me  
And your love did, did not falter, oh  
Then an angel, the angel in you, oh  
Gave me the strength to trust  
The Lord will see me through  
And that's how I survived  
There's no other reason  
And now I know I made it  
Through the miracle of you, ooh

[chorus]

Is in you  
Lives in you  
It's in you  
Lives in you  
yeah babe

Whoa ooh, whoa ooh  
So girl I want to thank you (Thank you)  
I can't thank you enough (Thank you enough)  
For showing me the meaning  
The meaning of true love  
When I was lost (I was)  
So in need (Need)  
You opened up your heart (ooh)

(When I needed you to comfort me  
you opened up your arms)  
I couldn't face another day  
You said don't be afraid  
(Don't be afraid)  
Your love came unconditional

You showed my heart the way ooh

I know the color of love  
(Oh baby, baby, baby lives inside of you)  
I know the color of truth  
(Its in the image of you, oh)  
If it comes from the heart  
(Comes from the heart  
Then you know that it's true  
(Know that it's true  
It will color your soul, like a rainbow  
And the color of love is in you  
yeah babe

I know the color of love  
(ooh is in you)  
I know the color of truth  
If it comes from the heart  
(Comes from the heart)  
Then you know that it's true  
(You know that its true)  
It will color your soul, like a rainbow  
And the color of love is in you  
It will color your soul, like a rainbow  
And the color of love is in you
