

Sam Salter, Thinkin' & Trippin'

Background music: (Huggin' and Lovin' and Kissin' and Squeezin')

Every day I lie awake
Wondering where you are
I'm missing you but holding her
I wish we were still cool

(Hook)
Now I was wrong to let you go
There's so many things I did not know
When I close my eyes you're all I see
Oh how I wish you were here
With me
When I'm sexing her
I'm thinkin' about you

And when I'm freaking her
I'm trippin' on you

You give me things I know she can't
Oh how I long for you girl
I call your name when I'm with her
Sometimes I swear she's you

(Hook)x1

(Repeat x2) to fade
When I'm sexing her
I'm thinkin' about you
And when I'm freaking her
I'm trippin' on you
