

Sam Smith, Diamonds

Have it all,
Rip our memories off the wall
All the special thing i bought
They mean nothing to me anymore
But to you, they were everything we were
The mean more than every word
Now i know just what you love me for, mmm

Take all the money you want form me
Hope you become what you want to be
Show me how little you care
how little you care
how little you care
you dream of glitter and gold
my heart's already been sold
show you how little you care
how little you care
how little you care

my diamonds leave with you
you're never gear my heart break
never gonna move in dark days
baby you're so cruel
my diamonds leave with you
material love won't fool me
think i always knew
my diamonds leave with you
diamonds, diamonds , diamonds, diamonds

shake it off
sjake of the fear f feeling lost
always me that pays the cost
i should never trust so easily
you lied to me
you lied to me
then left with my heart 'round your chest

Take all the money you want form me
Hope you become what you want to be
Show me how little you care
how little you care
how little you care
you dream of glitter and gold
my heart's already been sold
show you how little you care
how little you care
how little you care

my diamonds leave with you
you're never gear my heart break
never gonna move in dark days
baby you're so cruel
my diamonds leave with you
material love won't fool me
think i always knew
my diamonds leave with you
diamonds, diamonds , diamonds, diamonds
diamonds, diamonds , diamonds, diamonds
always knew, my diamonds leave with you
diamonds, diamonds , diamonds, diamonds
diamonds, diamonds , diamonds, diamonds
diamonds, diamonds , diamonds, diamonds
diamonds, diamonds , diamonds, diamonds
always knew, my diamonds leave with you

you're never gonna hear my heart brake
never gonna move in dark ways
baby you're so cruel
my diamonds leave with you
material love won't fool me
think i always knew
my diamonds leave with you

my diamonds leave with you
you're never gear my heart break
never gonna move in dark days
baby you're so cruel
my diamonds leave with you
material love won't fool me
think i always knew
my diamonds leave with you
diamonds, diamonds , diamonds, diamonds
