

Sam Smith, Fire On Fire

My mother said I'm too romantic
She said 'You're dancing in the movies
I only started to believe her
Then I saw you and I knew
Maybe it's 'cause I got a little bit older
Maybe it's all that I've been through
I'd like to think it's how you lean on my shoulder
And how I see myself with you

I don't say a word
but still you take my breath
and steal the things I know
there you go
saving me from out of the cold

fire on fire
would normally kill us
but this much desire
together we're winners
they say that we're out of control
and some say we're sinners
but don't let them ruin our beautiful rhythms
cause when you unfold me
and tell me you love me
and look in my eye
you are perfection
my only direction
it's fire on fire /2x

when
we fight, we fight like lions
but then we love and feel the truth
we lose our minds in a city of roses
we won't abide by any rules

I don't say a word
but still you take my breath
and steal the things I know
there you go
saving me from out of the cold

fire on fire
would normally kill us
but this much desire
together we're winners
they say that we're out of control
and some say we're sinners
but don't let them ruin our beautiful rhythms
cause when you unfold me
and tell me you love me
and look in my eye
you are perfection
my only direction
it's fire on fire

it's fire on fire

it's fire on fire
would normally kill us
but this much desire
together we're winners
they say that we're out of control
and some say we're sinners
but don't let them ruin our beautiful rhythms

fire on fire
would normally kill us
but this much desire

and some say we're sinners
