

# Sam Smith, Fire On Fire

My mother said I'm too romantic  
She said 'You're dancing in the movies  
I only started to believe her  
Then I saw you and I knew  
Maybe it's 'cause I got a little bit older  
Maybe it's all that I've been through  
I'd like to think it's how you lean on my shoulder  
And how I see myself with you

I don't say a word  
but still you take my breath  
and steal the things I know  
there you go  
saving me from out of the cold

fire on fire  
would normally kill us  
but this much desire  
together we're winners  
they say that we're out of control  
and some say we're sinners  
but don't let them ruin our beautiful rhythms  
cause when you unfold me  
and tell me you love me  
and look in my eye  
you are perfection  
my only direction  
it's fire on fire /2x

when  
we fight, we fight like lions  
but then we love and feel the truth  
we lose our minds in a city of roses  
we won't abide by any rules

I don't say a word  
but still you take my breath  
and steal the things I know  
there you go  
saving me from out of the cold

fire on fire  
would normally kill us  
but this much desire  
together we're winners  
they say that we're out of control  
and some say we're sinners  
but don't let them ruin our beautiful rhythms  
cause when you unfold me  
and tell me you love me  
and look in my eye  
you are perfection  
my only direction  
it's fire on fire

it's fire on fire

it's fire on fire  
would normally kill us  
but this much desire  
together we're winners  
they say that we're out of control  
and some say we're sinners  
but don't let them ruin our beautiful rhythms
