

Sam Smith, Fix You

When you try your best but you don't succeed
When you get what you want but not what you need
When you feel so tired but you can't sleep
Stuck in reverse

When the tears come streaming down your face
Cause you lose something you can't replace
When you love someone but it goes to waste
What could be worse?

Lights will guide you home
And ignite your bones
And i will try to fix you

But high up above or down below
When you are too in love to let it show
Oh but if you never try you'll never know
Just what you're worth

Lights will guide you home
And ignite your bones
And i will try to fix you

When tears stream down your face
When you lose something that you cannot replace
And tears stream down your face
And i

When tears stream down your face
I promise you i will learn my mistakes
When tears stream down your face
And i

Lights will guide you home
And ignite your bones
And i will try to fix you
