## Sam Smith, Fix You

When you try your best but you don't succeed When you get what you want but not what you need When you feel so tired but you can't sleep Stuck in reverse

When the tears come streaming down your face Cause you lose sometjing you can't replace When you love someone but it goes to waste What could be worse?

Lights will guide you home And ignite your bones And i will try to fix you

But high up above or down below When you are too in love to let it show Oh but if you never try you'll never know Just waht you're worth

Lights will guide you home And ignite your bones And i will try to fix you

When tears stream down your face When you lose soemthing that you cannot replace And tears stream dwon your face And i

When tears stream down your face I promisie tyou i will learn my mistakes When tears stream down your face And i

Lights will guide you home And ignite your bones And i will try to fix you
