

Sam Smith, Gimme feat. Koffee and Jessie Reyez

Gimmegimmegimme... what I want, what I want
Gimmegimmegimme... what I want, what I want

Want, everything I want
Is everything you got
So knock before you come, over
Relax, walk before you run

Your eyes on my dun dun dun dun ☐
I need you to come, closer

Voyeurs are watching us
Giving me such a rush
When I'm crazy and drunk on love
Gimme what I want, gimme what I want, yeah

Gimmegimmegimme... what I want, what I want
Gimmegimmegimme... what I want, what I want

Oh when mi pull up in a place yuh fi see mi see mi
Got what mi want and what yuh got yuh better gimme gimme
Mi rock yuh body ooh suh go rock yuh body fi mi
Come over yah so may mi push yuh body to the limit
Let me know, give me what I need
I follow, I let you lead
Give me love, don't need no money ☐
So pull me closer actually

Voyeurs are watching us
Giving me such a rush
When I'm crazy and drunk on love, love
Gimme what I want, gimme what I want

Gimmegimmegimme... what I want, what I want
Gimmegimmegimme... what I want, what I want

Voyeurs are watching us
Giving me such a rush
When I'm crazy and drunk on love, love
Gimme what I want, gimme what I want

Gimmegimmegimme... what I want, what I want
Gimmegimmegimme... what I want, what I want
