

Sam Smith, How Do You Sleep?

I'm done hating myself for feeling
I'm done crying myself awake
I've gotta leave and start the healing
But when you move like that, I just want to stay

What have I become now?
Looking through your phone now, oh no
Love to you is just a game
Look what I have done now
Dialing up the numbers on you
I don't want my heart to break

Baby, how do you sleep when you lie to me?
All that shame and all that danger
I'm hoping that my love will keep you up tonight
Baby, how do you sleep when you lie to me?
All that fear and all that pressure
I'm hoping that my love will keep you up tonight

Tell me how do you
Love will keep you up tonight
Tell me how do you

Oh no, how did I manage to lose me?
I am not this desperate, not this crazy
There's no way I'm sticking around to find out
I won't lose like that, I won't lose myself

Look what I have done now
Dialing up the numbers on you
I don't want my heart to break

Baby, how do you sleep when you lie to me?
All that shame and all that danger
I'm hoping that my love will keep you up tonight
Baby, how do you sleep when you lie to me?
All that fear and all that pressure
I'm hoping that my love will keep you up tonight

Tell me how do you (Yeah)
Yeah, yeah, yeah
Love will keep you up tonight
Tell me how do you
Oh, love will keep you up tonight

Baby, how do you sleep when you lie to me?
All that shame and all that danger
I'm hoping that my love will keep you up tonight
Baby, how do you sleep when you lie to me?
All that fear and all that pressure
I'm hoping that my love will keep you up tonight
(Tell me how do you)
