

Sam Smith, Nirvana

Oh baby, oh baby, oh, we both know the truth
If it were the real me and you
This wouldn't be the right thing to do
Now the room is so hazy, we're too lost in the fumes
I feel like it's just me and you
Yeah, we got nothing to lose

It's too late to run away from it all
It's too late to get away from it all

I'm not happy with this love so I give it to you
This moment has passed
Hurry up, show results in you now
Baby, your touch might
Oh, you take me to Nirvana
I don't think this will last
But you're here in my arms

Oh baby, oh baby, oh, we both feel the same
Am I gonna give you my name
And I don't think you want that to change
We're in this together, we don't know who we are
Even if it's moving too fast
Baby, we should take it too far

It's too late to run away from it all
It's too late to get away from it all

I'm not happy with this love so I give it to you
This moment has passed
Hurry up, show results in you now
Baby, your touch might
Oh, you take me to Nirvana
I don't think this will last
But you're here in my arms

Oh, you take me to Nirvana
I don't think this will last
But you're here in my arms
