

# Sam Smith, One Last Song

Maybe one day  
I won't sing about you  
I'll sing a song about someone now  
But right here, right now  
you're on my mind  
and I think about you all the time  
I'm sending a message to you  
and I'm hoping that it will get through

when I was a good it was bittersweet honey  
you made me sad till  
I loved the shade of blue  
I know you don't want to talk to me  
si this is what I will do  
maybe you're listening  
so here's one last song for you  
here's one last song for you

and I hope it makes you feel  
and I hope it makes you burn  
and I hope it reminds you of hoe much it hurt  
I'm sending a message to you  
and I'm hoping that it will get through

when I was a good it was bittersweet honey  
you made me sad till  
I loved the shade of blue  
I know you don't want to talk to me  
si this is what I will do  
maybe you're listening  
so here's one last song for you  
here's one last song for you

in case you hear this  
then know you're the love of my life  
want to tell you I'm sorry  
I miss having you by my side  
when you were mine

when I was a good it was bittersweet honey  
you made me sad till  
I loved the shade of blue  
I know you don't want to talk to me  
si this is what I will do  
maybe you're listening  
so here's one last song for you  
here's one last song for you

maybe you're listening  
so here's one last song for you  
here's one last song for you
