

# Sam Smith, Restart

It was a Monday night  
when you told me it was over babe  
And by the Friday night  
I knew that I would be okay

Don't say it was a good thing  
Don't say it was the right thing to do  
Don't say it was the best thing for the both of us,  
when I'm the one playing the fool

What do you want from me  
when I just want a restart  
You keep coming back for me  
when you're the one who tore us apart

The truth is I'm better on my own  
And I don't want to live in the past

So let me restart  
So let me restart  
So let me restart

You've been lighting up my phone  
worried that I'll be alone tonight  
want to make sure that I'm fine,  
but baby you're not on my mind, no more.

I know it was the best thing for the both of us  
cause you're the one who looks like a fool

What do you want from me  
when I just want a restart  
You keep coming back for me  
when you're the one who tore us apart

The truth is I'm better on my own  
And I don't want to live in the past

So let me restart  
So let me restart  
So let me restart

What do you want from me  
when I just want a restart  
You keep coming back for me  
when you're the one who tore us apart

The truth is I'm better on my own  
And I don't want to live in the past

So let me restart  
So let me restart  
So let me restart
