

Sam Smith, Vulgar (feat. Madonna)

Utwór 'Vulgar' to nowy singiel Sama Smitha. W piosence wspiera go legenda muzyki pop Madonna

Look like I'm dressed to kill
Love how I make me feel
All black in stripper heels
Mood like Madonna
Rich like I'm in the Louvre
Got nothing left to prove
You know you're beautiful when they call you Vulgar
I do what I wanna
I go when I gotta
I'm sexy, I'm free and I feel, uh
Vulgar
Vulgar
Vulgar
Vulgar
Let's get into the groove
You know just what to do
Boy, get down fall on your knees 'cos I am Madonna
If you fuck with Sam tonight
You're fucking with me (alright)
So watch what you say or I'll split your banana
We do what we wanna
We say what we gotta
We're sexy and free and we feel, uh
Vulgar
Vulgar
Vulgar
Vulgar
Vulgar is beautiful, filthy and gorgeous
Vulgar will make you dance, don't need a chorus
Say we're ridiculous, we'll just go harder
Mad and meticulous, Sam and Madonna
