

# Sam Sparro, Still Hungry

Last night a songbird sittling outside my window  
He sang a song for me  
Last night  
all the stars in the sky  
they twinkled so brightly  
it really was a sight to see  
today i spend two hundred and fifty dollars  
two hundred and fifty dollars on a pair of jeans  
they really looked nice on me  
but that means  
Ohhh  
that for the next two weeks  
I'm gonna be scrounging  
I never save my money  
You see  
I finished all the food on my plate  
I'm still hungry  
and I enjoyed all the food that I ate  
Ohhh  
But I'm still hungry  
Mmmm  
I've lived a relatively full life  
You shoulda seen some of the things I've seen  
I've lived around the world  
been a lot of places  
I really am lucky  
Ohh yeah I'm really lucky ohh  
but sometimes  
I just can't take it  
just can't take it  
Ohhhh  
I feel so lonely  
I'm not ungrateful  
I just want more from the life I lead  
Ohh won't you give it to me  
Ohhhh  
I've finished all the food on my plate  
I'm still hungry  
I'm still hungry  
well i ejoyed all the food I ate  
and believe me when I say it taste great  
I'm still hungry  
I finished all the food on my plate  
and I enjoyed it  
yes it really taste great  
but I'm still hungry  
I'm still hungry  
I'm still hungry  
I'm still hungry  
I'm still..  
hungry
