

# Samael, Born Under Saturn

Here Or There, Above Or Below  
It's Always The Same Force Which Prevails  
One Must Be Unreal And Surreal  
To Rise Above The Fear Of Isolation  
One Must Accept Exclusion  
Becoming Stronger To Face Fate  
Day After Day  
Stone After Stone  
From Disillusion To Disillusion  
Defeat To Defeat  
Escaping Death For Another Death  
I've Built A Temple Within Myself  
Where On My Knees I Wait The Day  
Born Under Saturn  
Dechirer Les Cieux  
Born Under Saturn  
Sur Terre Rapeller Dieu  
There Is But A Little Time And The Road Is Still Long  
Become Who You Are, Deny Who You Know...  
Day After Day  
Stone After Stone  
From Disillusion To Disillusion  
Defeat To Defeat  
Escaping Death For Another Death  
I've Built A Temple Within Myself  
Where On My Knees I Wait The Day  
Born Under Saturn  
Dechirer Les Cieux  
Born Under Saturn  
Sur Terre Rapeller Dieu
