

# Samael, Morbid Metal

Born from the depth of my brain  
Born in the night of the times  
Born by the nothingness

Born by bloody massacres  
Born by massive executions  
Born by millions of deaths

Ancestral prediction  
Medieval prophecy  
Secular institution

In eternal blasphemy  
Morbid metal

Born by malefic oaths  
Born by secret conspirations  
Born by infame rituals

Morbid metal
