

# Samael, Shining Kingdom

I Took A Long Trip  
And Now I'm Back Again  
To The Point Where I Began  
And Everything I Left Behind  
Followed Me, Preceded Me  
Souvenirs Are Patient, They Only Know  
The Lassitude They Provide

Feeding The Void With Emptiness  
It Took Me Time To Understand  
It Was Always Here, Deep Inside  
Always There, Far Away  
The Shining Kingdom

I Took A Long Trip To Leave Myself  
To Search For Another Me Elsewhere  
I Haven't Found Anything  
I Just Forgot What I Was Looking For  
I Did Forget What I Was Looking For  
I've Been Lost

Feeding The Void With Emptiness  
It Took Me Time To Understand  
It Was Always Here, Deep Inside  
Always There, Far Away  
The Shining Kingdom
