

Samantha Boscarino, Find My Place

Oh...
How did I end up here?
One of the cool kids this year
What a suprise now,
Cause all that I am feeling is... kinda weird
Everyone's lookin' to me
Thinking how cool it must be to be popular
Oh-oh-oh-oh
But I don't even know what that means
Am I supposed to feel like I belong?
Like I'm king of the world and can do no wrong
I could just play along, play along
Ah ah ah ah
Ah ah ah ah ah
Try to find my way
Try to find my place
Ah ah ah ah
Ah ah ah ah ah
Try to find my way
Try to find my place
I'm just as lost as you feel
The whole thing's kinda surreal
Don't know what comes next,
Cause all this growin' up is... kinda weird
Am I supposde to feel like I belong?
Like I'm king of the world and can do no wrong
I could just play along, play along
Ah ah ah ah
Ah ah ah ah ah
Try to find my way
Try to find my place
Ah ah ah ah
Ah ah ah ah ah
Try to find my way
Try to find my place
(Instrumental)
I'm just trying to find my way
Find my place...
I didn't get skinned
I just want to fit in
Like everyone else
Want to know myself
Gotta find a way
Gotta find my place
Yeah
Gotta find my way
Gotta find my place
Ah ah ah ah
Ah ah ah ah ah
Gonna be ok
Gonna find my place
Ah ah ah ah
Ah ah ah ah ah
Gonna find my way
Gonna find my place...
