

# Samantha Cole, I'm By Your Side

Diane Warren

When you need a hand to hold  
And no one is there for you  
When you spend one too many nights  
Out on your own  
When your friends just let you down  
I'll lift you up baby  
I'll be around, darling

I'm by your side  
Any time you're feeling lonely  
I'm by your side  
Just reach out your arms and hold me, hold me  
I'm standing by to give you love  
Call me and I'll come runnin', baby  
I'll come runnin', runnin'

When troubles have found your heart  
And worries weigh on your mind  
And dark clouds hang over your soul  
You're not alone  
Like your shadow, I'll be there  
And no matter when, baby  
No matter where, darling

Reach for my hand  
And I'll pull you through the pain  
Keep you from the rain  
Hold you and show you the love waiting  
here for you

I'm standing by to give you love  
Call me and I'll come runnin', baby  
I'll come runnin', runnin'  
I'll come runnin', baby
