## Samantha Cole, You Light Up My Life

Joseph Brooks

So many nights, I sit by my window Waiting for someone to sing me his song So many freams I kept deep inside me Alone in the dark, now you've come along

And you light up my life You give me hope to carry on You light up my days And fill my nights with song

Rolling at sea, adrift on the water Could it finally be, I'm turning for home Finally a chance to say, hey, I love you Oh never again to be alone

And you, light up my life
You give me hope to carry on...
You light up my days
And fill my nights with song
It can't be wrong when it feels so right
Cause, you light up my life
But I don't remember what it's like anymore
