

Samantha Fox, I Promise You

I don't know what it is that makes me love you so

I only know I never wanna let you go.

'Cause you started something

oh

can't you see

That ever since we met you've had a hole on me.

It happens to be true: I only wanna be with you.

It doesn't matter where you go and what you do

I wanna spend each moment of the day with you.

Oh

look what has happened with just one kiss

I never knew that I could be in love like this.

It's crazy but it's true: I only wanna be with you.

You stopped and smiled at me

asked if I'd care to dance

I fell into your open arms and I didn't stand a chance.

Now listen

honey

I just wanna be beside you everywhere

As long as we're together

honey

I don't care.

'Cause you started something

oh

can't you see

That ever since we met you've had a hole on me.

No matter what you do: I only wanna be with you.

You stopped and smiled at me

asked if I'd care to dance

...

No matter what you do: I only

I only

I only wanna be with you!
