

Samantha Mumba, Baby, Come Over (This Is Our)

baby come on over tonight
we can make it all right
take a piece of my heart
and go from the start
you say that you want me
again and again
you say that you need me
to be more than just your friend
so i've thought about it
and maybe you're right
i've been checking your records
and they seem all right
baby come on over tonight
we can make it all right
take a piece of my heart (my heart)
and go from the start
baby come on over tonight (yeah yeah)
we can make it all right (yeah yeah)
boy there's no-one like you (ooh)
do you feel it too? (do you feel it too?)
baby come over come on
baby come over uh
this is our night tonight
so when we get together
if just for a while
let's make it happen
don't waste any time
and now i need (uh) to find out
what you're about
