

# Samantha Mumba, Don't Need You To Tell Me I'm

[Verse 1:]

I don't need you to  
Tell me i'm pretty to make me feel beautiful  
I don't need you to  
Give me your strength to make me feel i'm strong  
I got all of this strength that I need here  
inside my own two hands  
All that I want is your love and respect for who I am  
What I really need  
Comes from deep inside of me

[Chorus:]

Don't need you to tell me i'm pretty to make me feel beautiful  
Don't need you to make me strong cuz i'm strong all on my own  
Doesn't come from outside  
This beauty I know  
Comes from inside my soul

Don't need you to tell me I'm pretty

[Verse 2:]

I don't need you to  
Believe in me to make me know im worth believing in  
I don't need you to  
Lift me up high to know I can stand tall ( I can stand tall)

[Bridge:]

I can stand my own ground  
I can stand proud upon my own two feet  
Don't have to be part of somebody else  
To be complete  
What I really need  
Comes from deep inside of me

[Chorus]

[Verse 3:]

Don't need to come to you for...confirmation  
Because I finally found too...this revelation  
What I really need ( what I really need)  
Im gonna find inside of me (find inside of me)  
Not in somebody else  
Respect...comes when you respect yourself

[Chorus]

[Verse 4:]

Don't need you to tell me i'm pretty to make me feel beautiful  
Don't need you to lift me up, i can stand up on my own  
Doesn't come from outside  
This beauty I know (I know)  
Comes from inside my soul

Don't need you to tell me i'm pretty to know i'm beautiful
