

Samantha Mumba, Lose You Again

Ohhhh

I don't wanna lose you again
I just wanna be by your side
Forever
I don't wanna lose you again
I just wanna be close to you
My baby

I was outta my mind
Thought you were seeing someone else
Were Starting a fight
A way to get you back again
Do you remember the things I did to win your love?
My heart rejoiced when you finally came back to me
Nothing's Ever Gonna change how I feel
I'll keep tellin' you my love is for real

I don't wanna lose you again
(I don't wanna lose you baby)
I just wanna be by your side
Forever
I don't wanna lose you again
(I don't wanna lose you baby)
I just wanna be close to you
My baby

Whenever I'm down
I think of someone special
I know I have found
The man I have been searching for
The moment I lost you
The day you went out of my life
Was so afraid
That I'd never seen your face again

Nothing's ever gonna change how I feel
(Change How I Feel)
I keep telling you my love is for real

I don't wanna lose you again
(I don't wanna lose you baby)
I just wanna be by your side
Forever
I don't wanna lose you again
(I don't wanna lose you baby)
I just wanna be close to you
My baby

(I don't wanna lose you baby)

(Yahooooo!)

(Stand by my side)

I don't wanna lose you again
I just wanna be by your side
Forever (Nowww!)
I don't wanna lose you again
(I don't wanna lose you baby)
I just wanna be close to you (Never gonna lose you)
My baby (Baby, baby, baby)

I don't wanna lose you again (Forever)

I just wanna be by your side (Be By Your Side)
Forever (Forever)
I don't wanna lose you again
(I don't wanna lose you again)
I just wanna be close to you (Be Close to you)
My baby
(Baby)

I don't wanna lose you again
(I don't wanna lose you baby)
I just wanna be by your side
Forever (Uhhh)
I don't wanna lose you again
(I don't wanna lose you baby)
I just wanna be close to you
My baby
