

# Samantha Mumba, The Way It Makes You Feel

Aaaah

Uh

Yeah

Uh Uh Yeah

That's the way I like it

This is the way I like it

And I don't wanna change a thing

This is the way I want it ohh

It's the way I like it baby

It's the way I like it

Uh Uh Uh Uh Yeah

the way I like it

Uh the way I like it baby

How do I start?

Where do I begin?

I've told you before,

Now I'll tell you again

I can not hide what's inside of me

What can I tell you to make you see?

That I can't change who I am

I gotta make you Understand

Aaah

This is the way I like it

And I don't wanna change a thing

This is the way I want it ohh

It's the way I like it baby

It's the way I like it

The way that I like it yeah

The the way I like it Uh

This is the way I wanna live

And I can't change the way it is

Don't You Know

What I'm about

Better Hold On as I reach out

It's easy; Can't you see?

I've got so much inside of me

Ah Ah Yeah

This is the way I like it

And I don't wanna change a thing

This is the way I want it ohh

It's the way I like it baby

Uhh the way I like it baby

That's the way I like it

Now I'm here in front of you

I know what to say and I know what to do

And I just hope that you will see

This is the way it's gotta be

This is the way I like it

And I don't wanna change a thing

This is the way I want it ohh (oh)

It's the way I like it baby

This is the way I like it

And I don't wanna change a thing

This is the way I want it ohh (oh)

It's the way I like it baby!
