

Samantha Mumba, Why

"Why"

Tell me why I have to run
away, baby, just sit still and
don't you cry.

Chorus

Tell me why I,
Never sit still, Cry at my will
runnin' from fears through all
the years. Why?

Tell me why I've never
seen the rain. Through
all of my pain. Baby!

Chorus

Now I feel that I sit
still. I remember my
friends too. Not just you!!!

Chorus

This is the end my friend.
